```

About a year ago I went to a Bettie Serveert concert in Amsterdam, Holland. When the concert was over, I found this paper on stage. It said Paint this day and it had some chords on it.

Bettie Serveert just released their new album, Lamprey , and it s fucking brilliant. But there s no song called Paint this day on it.

After listening the album a few times, I found out the song on the paper I foudn was Keepsake, the first song on the album. Since the paper originally belonged to Peter Visser, the guitarist of Bettie Serveert, I think my source is quite accurate.

Here s what the paper sais:

Intro: **Bm A G**

D A Bm E G

Bm A G - D A Bm E G

Chorus: **Bm D G D**

Am G F - Paint this day

Intro: **Bm A G**

D A Bm E G

Chorus: **Bm D G D**

Bm A G

A G D

A G D E G (2x)

End

I found a message of Joop schmit (schmit@bart.nl) here a week ago and it contained the chords of Keepsake, the first song on the album Lamprey by Bettie Serveert. As this album is, according to Joop Schmit and me too, fucking brilliant I decided to find out the lyrics and put these two things together. It is very hard though to find out lyrics to Bettie Serveert songs, but I think

I fairly succeeded. A few things are missing, but hey: nobody s perfect.
I hope I got everything right.
Many thanks tot Joop Schmit and of course Peter Visser, the guitarist of Bettie
Serveert. I wish everybody lots of fun playing it.
