Palomine - Bettie Serveert
Well I wish I had known your name
Is it possible that we might have felt the same
                     Bm
bout the senselessness within the air
paints it s words almost everywhere
      D F#m Bm
                      G
                                           D
now the sun will always shine on this palomine
D G (2X)
Well I wish I had known you then
well who knows I might have been a better friend
                        Bm
but now the senselessness within the air
paints it s words almost everywhere
           Α
                   \mathbf{Bm}
how come life sometimes makes you feel so scared
        D F#m Bm
I know the sun will always shine (2x)
      D F#m Bm
                                          D
yes the sun will always shine on this palomine
\mathbf{D} \mathbf{G} (3x)
Well even when I think out about
the things you used to say out loud
even then I can t say I was prepared
to settle down to what you did
