

**Round Midnight**  
**Betty Carter**

**Dm**                    **Bm5-/7**                    **Em5-/7**                    **A7**  
It begins to tell round midnight, round midnight

**Dm7**                    **G7**                    **Bbm7**                    **Gdim**                    **Am7**                    **D7**  
I do pretty well til after sundown

**Gm7**                    **C7**                    **Dm**                    **Dm7+**  
Supper time, I m feelin sad

**Fdim**                    **G7**                    **Bb7**                    **A7**  
But it really gets bad round midnight

**Dm**                    **Bm5-/7**                    **Em5-/7**                    **A7**  
Mem ries always start round midnight, round midnight

**Dm**                    **G7**                    **Bbm7**                    **Gdim**                    **Am7**                    **D7**  
Haven t got the heart to stand those mem ries

**Gm7**                    **C7**                    **Dm**                    **Dm7+**  
When my heart is still with you

**Fdim**                    **G7**                    **A7** **Dm**                    **Dm7+**  
And old midnight knows it too

Bridge

**Bm5-/7**                    **E7/9-**                    **A7**  
When some quarrel we ve had needs mending

**Bm5-/7**                    **E7/9-**                    **A7**  
Does that mean that our love is ending

**Gm7**                    **C7**                    **Bb7**                    **A7**  
Darling, I need you; lately I find

**D7**                    **C7**                    **Bb7**                    **A7**  
You re out of my arms and I m out of my mind

**Dm**                    **Bm5-/7**                    **Em5-/7**                    **A7**  
Let our love take wing some midnight, round midnight

**Dm**                    **G7**                    **Bbm7**                    **Gdim**                    **Am7**                    **D7**  
Let the angels sing for your returning

**Gm7**                    **C7**                    **Dm**                    **Dm7+** **Bbm9**  
Let our love be safe and sound

**Fdim**                    **G7**                    **Bb7**                    **A7** **Dm**  
When old midnight comes around
