Verse 1:

F#

Late night driving home together

Ebm

And at red lights we
press our lips together

G#m

And we re holding tight

C#

now Slow it down now

F#

Let s take our time
Let the moment last

Ebm

until it feels right
Holding back and not

G#m

getting too carried away

C#

Let the music fade

Chorus:

B **C#**
Cause you are the brightest star
Ebm **C#/F**
And I m in love with who you are
B **C#**
And you are the brightest star
Ebm **C#/F**
And I m lost without your love

Post Chorus:

F# **Ebm** **G#m** **C#**
Your love

Verse 2:

F# **Ebm**
We are in each other s arms
G#m
Just like a movie scene
C#
And as we re leaning in
The light decides to turn
B
green Me and you together
This is getting better
C#
These butterflies won t do
B
I don t want just red lights
I want more of these nights
C#
Baby, I love you

(Repeat Chorus)

B
Cause you are
C#
the brightest star
Ebm
And I m in
C#/F
love with you

Interlude: **B--C#--Ebm--C#/F** x2

Bridge:

B

Me and you is what
matters most

C#

It s not the intimacy that
Ebm **C#/F**
brings me closer to you
