

**You Cry a Tear To Start a River
Between the Trees**

(refrão)

C

So stand close to me

C Am

Don't sail away, baby

Dm

Let them see your heart

G

Let 'em see just how beautiful you are

(verse I)

C

So you head on down

To the bottom near the river

Am

Just to wash away **Dm G**

All the pain of today and yesterday

C

And you try so hard

To wash away the spots

Am

But your tears

Don't seem to do enough

It's just too much

(bridge I)

Dm G

Well, darling grab a hand

Dm G

We promise not to let you stand alone

Full Chorus:

C

So stand close to me

C Am

Don't sail away, baby

Dm

Let them see your heart

G

Let 'em see just how beautiful you are

C

You're like nobody else, you see

C Am

Nothing less than any girl in your magazine

Dm

Don't you know you're special

G

You re really something special, baby

(verse II)

(Same chords as previous verse).

So you look into

You look into the water

And there you are

Just the way you left yourself

All alone

But lift your head

And look across the water

Cause there you ll see

All of us together singing

(bridge II)

(Same chords a previous bridge).

Well, darling grab a hand

We promise not to let you stand alone

(refrão)

C

So stand close to me
