

Hey Brother
Beulah

Key of Gb, messy but chord progressions are correct

B Bbm
Hey brother
Ebm
get yourself together
Abm B
Don t you wait

B Bbm
Can t you see
Ebm
I m waiting in the shadows
Abm B
to take your place

Abm
There is a chance
Bbm B
that I d keep trying
Ebm
to tell you the truth,
E B
would end up lying to you

CHORUS

Gb Db
You said you were late
Bbm B
and I planned my escape
Gb Db
Such a happy thing
Bbm B
just another one of my mistakes
Gb Db
So you held your breathe
Bbm B
and you cursed the west
Gb Db
said you had no choice
Bbm B
You re moving back east where men are men

Your mother
never found a reason
to hesitate

Now your waiting
For a warmer welcome
in coldest days

CHORUS

Ebm

Love s got no border

Db

why don t you feel free

Bbm

to cross my state line

B

Bbm

Ebm

and bring yourself to me?

Ebm

It s a hell of a struggle

Db

Been grounded for years

Bbm

Words that I use up to

B

oh for lonely ears

CHORUS
