This next beautiful song, is taken from hearing the debut album (I think),
from Beverley Craven by the same name. I m not sure about the correctness
of the chords -- so if someone has better solutions, please let me know...

Missing You Beverley Craven

C#m **G#m**
The dreams I have are unrepeatable,
C#m **G#m**
And you always play a starring role,
C#m **G#m**
I m just glad to have the time with you,
C#m **Eb** **G#m**
It s the only place we can go.

I walk around the next day in a daze,
Flashes of a feeling of your face,
Three photographs, a letter and my memories,
Are all I have to fill this space.

C#m **Em** **C#m**
Now you ve gone, now you ve gone,
F#m
But I keep missing you,
G#7
I keep missing you,
C#m **Em** **C#m**
Now you ve gone, now you ve gone,
F#m
But I keep missing you,
Eb7 - **G#**
I keep missing you.

Sometimes I laugh the way you used to laugh,
Or say the things you used to say,
If you can see me now, just give me a sign,
