This next beautiful song, is taken from hearing the debut album (I think),
from Beverley Craven by the same name. I m not sure about the correctness
of the chords -- so if someone has better solutions, please let me know...

Missing You Beverley Craven

Bbm **Fm**
The dreams I have are unrepeatable,
Bbm **Fm**
And you always play a starring role,
Bbm **Fm**
I m just glad to have the time with you,
Bbm **C** **Fm**
It s the only place we can go.

I walk around the next day in a daze,
Flashes of a feeling of your face,
Three photographs, a letter and my memories,
Are all I have to fill this space.

Bbm **C#m** **Bbm**
Now you ve gone, now you ve gone,
Ebm
But I keep missing you,
F7
I keep missing you,
Bbm **C#m** **Bbm**
Now you ve gone, now you ve gone,
Ebm
But I keep missing you,
C7 - **F**
I keep missing you.

Sometimes I laugh the way you used to laugh,
Or say the things you used to say,
If you can see me now, just give me a sign,

Cos I can t believe you ve really gone.

Now you ve gone, now you ve gone, ... etc.

;; Instrumental: start of verse, continue with last two verse-lines:

Bbm **C** **Fm**
The way you tossed your hair, and fooled around,
Bbm **C** **Fm**
Will we ever meet again?

Now you ve gone, now you ve gone, ... etc.
