Oh baby, how you doing?
You know I m gonna cut right to the chase
Some women were made but me, myself
I like to think that I was created for a special purpose
You know, what s more special than you? You feel me
It s on baby, let s get lost
You don t need to call into work cause you re the boss
For real, want you to show me how you feel
I consider myself lucky, that s a big deal
Why? Well, you got the key to my heart
But you ain t gonna need it, I d rather you open up my body
And show me secrets, you didn t know was inside
No need for me to lie

C# F#
 It s too big, it s too wide
 G#
 It s too strong, it won t fit
 C# F#
 It s too much, it s too tough
 G#
 He talk like this cause he can back it up

C# F# G#
 He got a big ego, such a huge ego
 C# F#
 I love his big ego, it s too much
 G# G# Cm F#
 He walk like this cause he can back it up

(G# G# G# G# G F# F# F# F#)
 Usually I m humble, right now I don t choose
 You can leave with me or you could have the blues
 Some call it arrogant, I call it confident
 You decide when you find on what I m working with...
