

Halo

(intro) A Bm F#m D
A Bm F#m D A

Bm
Remember those walls I built
F#m
Well Baby they are tumbling down
D
And they didn't even put up a fight
A
They didn't even make a sound
Bm
I found a way to let you in
F#m
But I never really had a doubt
D
Standing in the light of your halo
A
I got my angel now
Bm
It's like I've been awoken
F#m
Every rule I had to break
D
It's the risk that I'm taking
A
I ain't never gonna shut you out

(refrão)

Bm
Everywhere I'm looking now
F#m
I'm surrounded by your embrace
D
Baby I can see your halo
A
You know you're my saving grace
Bm
You're everything I need and more
F#m
It's written all over your face
D
Baby I can feel your halo
A
Pray won't fade away
I can feel your halo

Bm

I can see your halo
