Mama, I understand your many sleepless nights

C  
When you re seat and you think about father

G Am7 F

Or how you tried to be the perfect wife

C G  
You used to dress and fix your hair

Am7 F  
Then you smiled through your tears

C G  
In the mirror you would stare

Am7  
And say a prayer, like:

F C  
I wish he said I m beautiful

G  
I wish it didn t hurt at all

Am7  
I don t know how I got here

F  
I was once the one who had his heart

Until you had enough then you took that ring off

G  
You took that ring off

Am7  
So tired of the lies and trying, fighting, crying

F  
Took that ring off

C  
Oh, now the fun begins

Dust yourself off and you love again
