G
Satellites, flashing by
C **G**
It s a beautiful state we re in
C **G**
But how can we love in isolation
Cm **C**
Think how happy we can be
G
When we just try

C **G**
We re nothing like we seem
C **G**
Passionate words are never spoken
Cm **C**
You don t know how I bleed
G
When I leave your side
Em C Am D
In your eyes, love s alive
Em
We ve come untied
C Am D
Cause we re flashing by like satellites

G
Satellites
C **G**
Take all the rules away
C **G**
How can we live if we don t change
Cm **C**
We re always on display
G
Let s run and hide
Em C Am D
In our eyes, love s alive
Em **C**
We ve come untied
Am D
Cause we re flashing by like satellites

G
Satellites
Em **C**
If we don t communicate

Am

D

We ll exist in our own space

Em

C

We ll have all the love we need

Am

D

While we re apart I cannot breathe
