

**Smash Into You**  
**Beyonce**

**A#m**        **F#**  
Head        down

**C#**                                **G#**  
as I watch my feet take turns hitting the ground

**A#m**        **F#**  
Eyes        shut

**C#**                                **G#**  
I find myself in love racing the earth

And I    soaked in your love  
And love is right in my path, in my grasp  
And me and you belong  
I wanna run, run smash into you  
I wanna run, run, smash into you  
Ears closed, what i hear the world just has to know  
Cause i know that what we have is worth first place in gold  
And i soaked in your love  
And love is right in my path, in my grasp  
And me and you belong  
And i, i wanna run, run smash into you  
I m willing to run, run smash into you

Whooaaahooo whooaaahooo

Head down as i watch my feet take turns hitting the ground  
Eyes shut, i m in love and i m racing the earth  
And i soaked in your love  
And love is right in my path, in my grasp  
And me and you belong  
And i wanna run, run smash into you  
I m willing to run, run smash into you  
I m willing to run run run run run ooh ooh ooh ooh  
I wanna run, run smash into you  
I m willing to run, run smash into you
