**A#m**        **F#**

Head        down

as I watch my feet take turns hitting the ground

I find myself in love racing the earth

And I soaked in your love

And love is right in my path, in my grasp

And me and you belong

I wanna run, run smash into you

I wanna run, run, smash into you

Ears closed, what i hear the world just has to know

Cause i know that what we have is worth first place in gold

And i soaked in your love

And love is right in my path, in my grasp

And me and you belong

And i, i wanna run, run smash into you

I m willing to run, run smash into you

Whooaaahooo whooaaahooo

Head down as i watch my feet take turns hitting the ground

Eyes shut, i m in love and i m racing the earth

And i soaked in your love

And love is right in my path, in my grasp

And me and you belong

And i wanna run, run smash into you

I m willing to run, run smash into you

I m willing to run run run run run ooh ooh ooh ooh

I wanna run, run smash into you

I m willing to run, run smash into you
