

XO

Beyonce

**C**

Your love is bright as ever

**Em**

Even in the shadows

**F**

Baby kiss me

**C**

Before they turn the lights out

**C**

Your heart is glowing

**Em**

And I m crashing into you

**F**

Baby kiss me

**C**

Before they turn the lights out

**C**

Before they turn the lights out

Baby love me lights out

**C**

In the darkest night I ll

**Am**

I ll search through the crowd

**F**

Your face is all that I see

**G**

I ll give you everything

**C**

Baby love me lights out

**C**

Baby love me lights out

You can turn my light down

**C**

We don t have forever

**Em**

Baby daylight s wasting

**F**

You better kiss me

**C**

Before our time is run out

**C**

Nobody sees what we see

**Em**

They re just hopelessly gazing

**F**

Baby take me

**C**

Before they turn the lights out

**C**

Before time is run out

Baby love me lights out

**C**

In the darkest night I ll

**Am**

I ll search through the crowd

**F**

Your face is all that I see

**G**

I ll give you everything

**C**

Baby love me lights out

**C**

Baby love me lights out

You can turn my light down

**C**

I love it like XO

You love me like XO

**Am**

You kill me boy XO

You love me like XO

**F**

All that I see

**G**

Give me everything

**C**

Baby love me lights out

**C**

Baby love me lights out

You can turn my lights out

**C**

In the darkest night I ll

**Am**

I ll search through the crowd

**F**

Your face is all that I see

**G**

I ll give you everything

**C**

Baby love me lights out

**C**

Baby love me lights out

You can turn my light down
