

**Em** **G**  
To pattern your whole life  
**G** **Em**  
They've got you jumping.  
**Em** **G**  
I used to say how high  
**G** **C**  
But now I say good-bye  
**C** **D**  
Because I think I had enough

Chorus:

**Em**  
Do you mind,  
**D**  
If I'm just me?  
**D** **Em** **D**  
So what if I do everything a little bit imperfectly?  
**Em**  
What do you care?  
**Em** **D**  
Would you be there  
**D** **C**  
When you get it straight  
**C** **D**  
That you can't make me anything you want me to be  
**D** **Em**  
Because that's not me  
**Em** **G** **D**  
(I'm an individual)  
**D** **Em**  
That's not me  
**Em** **G** **D**  
(I won't be your paper doll)

Bridge:

**Em** **G**  
You've got me mistaken  
**G** **Em**  
For somebody else  
**Em** **G**  
I'm not your creation  
**G** **Em** **D**  
A weaker imitation of myself.  
**D** **Em** **G** **Em** **D**  
Yeah! Yeah Yeah! Yeah

**Em**  
Do you mind,

D  
If I m just me?
