Take a car and drive forever but I m

G D Am C

Only ever sitting at the traffic li-i-ight

Em Bm C

And all the world to see is to much sometimes for me

[Verse]

```
D
(And when you rise)
And when you rise you ll find me here
(Open your eyes)
And see myself reflected there
(And for a while)
A little room becomes an everywhere
Between an overload of information
And a striving for a pure dedication I
                        D
Find myself looking for the exit sign-ign-ign
[Chorus]
Good morning baby
                                                 C
                                         Αm
I hope I m gonna make it through another day
Good morning baby
I hope I m gonna make it through another day
See the stars and all the planets
Am
Fly the great wide world and have it all
Yeah, better get a ticket better get in li-i-ine
I m praying now for beautiful weather
Take a car and drive forever but I m
Only ever sitting at the traffic li-i-ight
                Bm
And all the world to see is to much sometimes for me
