Sway
Bic Runga

[Intro]

D E D E

[Verse]

A
Don t stray
      C#m
Don t ever go away
   D
I should be much to smart for this
     Bm
You know it gets the better of me

A
some - times
    C#m
When you and I collide
   D
I fall into an ocean of you
 Bm
Pull me out in time

[Refrain]

          F#m
Don t let me drown
      C#m
Let me down
        D   **E7**
I say its all because of you

[Verse]

      A
And here I go
C#m
Losing my control
    D
I m practicing your name
      Bm
So I can say it to your face

```
                    A
It doesn t seem right
    C#m
To look you in the eye
      D
And let all the things you mean to me
        Bm
Come tumbling out my mouth

[Refrain]

            F#m
Indeed its time
          C#m
Tell you why
            D                       E7
I say its infinately true

[Bridge]

A               E
Say you ll stay
                  F#m
Don t come and go
            E7
Like you do

A               E
Sway my way
                    F#m
Yeah I need to know
              E7
All about you

[Verse]

              A
And there s no cure
      C#m
And no way to be sure
        D
Why everythings turned inside out
        Bm
we re still in so much doubt

                      A
It makes me so tired
    C#m
I feel so uninspired
```

```
   D
My head is battling with my heart
   Bm
My logic has been torn apart

[Refrain]

     F#m
And now
            C#m
It all turns sour
                      D                                    E7
 cause we sing  every afternoon

[Outro]

   C#m                              E
Its all because of you
    C#m                             E
Its all because of you
```
