For anybody else to know...

Repeat chords from above for verse 2:
When i see you smile first thing in the morning
It raises curtains on my lazy eyes,
Could it be that you and i have the greatest love to ever be?
how could this have ever been before,
its not for anybody else to know..
for anybody else to know.

F **G** **Am** **Em**
When friday night arrives i ll let it pass outside the door
F **G** **C**
this is not for anybody else, anybody else to know.
