Very End

Very fun song to play... And if you donâ€™t know this song itâ€™s off Bifâ€™s first

album before she got signed.

And if you canâ€™t find it and you live in the U.S. just go to Canada and buy it cause

itâ€™s everywhere and itâ€™s a \*\*\*ing awesome album because Bif rules!!

Not just cause sheâ€™s from my hometown Vancouver Canada but she just.... does...
