Song: Christopher s River

Tabbed by: Chris A

Verse 1:

[illegible]

Chrous :

C D Em D C  
Our shadows softly on the grass, day would break we d have our laughs  
D Em D C  
Our shirt tails in the wind, seems like yesterday my friend  
D Em D C  
I know that we were scared, hurt because you were not there  
D Em D G (Em D G)x2  
I know I want it all, wish the sky would fall on me

Verse 2:

G            Em       G            Em  
You and me, always, always

Chrous :

C                      D                      Em                      D                      C

Our shadows softly on the grass, day would break we d have our laughs

D                      Em                      D                      C

Our shirt tails in the wind, seems like yesterday my friend

D                      Em                      D                      C

I know that we were scared, hurt because you were not there

D                      Em                      D                      G        (Em D G)x2

I know I want it all, wish the sky would fall on me
