Em

I talk to satan cause

G **C**

Does that make me cynical?

G

There are no miracles

Em

And this is no miraculous life

G

I savour hate as much as

Em

I crave love because

G **C**

Im just a twisted guy

Is this the pinnacle?

G

Is this the pinnacle?

Em

The pinnacle of being alive?

C G D

Now I see the light

Blinking eyes encased in rust
