From the album Opposites (2013)

Intro - **Em G D** x2

Em G

I don t know where we re going from here

D

But it s time to sing the saddest song

Em G

Looking alive with a broken mind,

D

Why don t you ever take my side

C Em D

We can dream of all the mistakes that we ve made

C Em D (Fingerpick without the third finger)

There s no reason, there s nothing left to take away

Em G

I now know where we re going from here

D

And it s time to sing a happy song

Em G

Feeling alive with a throbbing mind,

D

You re never gonna break my stand

C Em D

We can dream of all the mistakes that we ve made

C G Bm

There s no reason, we can t start at the end

Em G D A

We re users but at least we use each other friend

Em G D A

We ll choose our path and face the consequence

C G

Some say love, I say fight

Em

I hope I m not wrong

C G

A restless soul, a wicked mind

D

I d rather kiss the ground than kiss a starless sky **C**
