Album - The Crossing

From: *

Guitars double up on this track. The tab pretty much covers Stuart Adamson's (Guitar 1) & Bruce Watson's (Guitar 2) parts - you'll have to choose

which one you want to be.....unless of course you're a freak with two pairs of hands and a doubleneck guitar! The song is in C.

- h - hammer on
- p - pull off
- / - slide up
- - slide down
- ~ - vibrato
- PM - palm mute
