

**Heart Cries Holy**  
**Big Daddy Weave**

**A2 Bsus4 A2 Bsus4**

Standing here in the presence

**A2 Bsus4 A2 Bsus4**

Of something more than merely real  
There are no words to describe you  
Or explain the way I feel

**Bsus4 C#m A2**

As you speak I find healing for my soul

**Bsus4 C#m D2 A2 Bsus4**

And your touch alone can make me whole

**E Bsus4 A2/F# A2**

And my heart cries Holy

**E Bsus4 E/G# A2**

And my spirit feels the change

**E Bsus4 A2/F# A2**

As my heart cries Holy

**E Bsus4 E/G# A2**

I will never be the same

Your mercies toward me last forever

Your faithfulness is true

And as You touch the coal to my lips

My mind is made brand new

I could never repay all that You ve done

So use my life to the glory of Your Son

**A2 Bsus4 E/G# A2**

Everything inside me, Everything untrue

**A2/F# A2 A2/F# Bsus4**

Oh Lord I surrender, All of it to You

(to the solo - play the Chorus chords under the solo)
