

## Last Words

### Big & Rich

**E** **C#m** **G#m** **B**  
Promise me we wonâ€™t go to sleep with this poison on our lips  
**E** **C#m**  
Letâ€™s take a breath while thereâ€™s something left  
**G#m** **B**  
And thereâ€™s love left to give

Chorus:

**E** **B** **D** **A**  
Letâ€™s donâ€™t let our last words be the bad words  
**Am** **E** **B**  
We know weâ€™ll still hurt tomorrow  
**E** **B** **D** **A**  
We canâ€™t let this cruel wall be our downfall  
**Am** **E** **B** **E**  
A prideful pill we canâ€™t swallow

**E** **C#m** **G#m** **B**  
You know me well enough to tear the soul right out of me  
**E** **C#m** **G#m** **B**  
And I know how to turn you inside out so please before we speak

Bridge:

**G#** **A** **G#** **C#m** **F#**  
Letâ€™s leave it all unsaid, leave this war outside our bed  
**C#** **F#** **F#m** **B**  
Lay down our heads and dream instead

Chorus:

**E** **B** **D** **A**  
Letâ€™s donâ€™t let our last words be the bad words  
**Am** **E** **D**  
We know weâ€™ll still hurt tomorrow  
**E** **B** **D** **A**  
We canâ€™t let this cruel wall be our downfall  
**Am** **E** **B** **E**  
A prideful pill we canâ€™t swallow
