[Verse]

See your mama and the candles and the tears and roses
I see your daddy walk his daughter down the isle
                      E
And my knees start to tremble as I tell the preacher
               F#
                   Е В
Don t she look beau-ti-ful tonight?
F#
All the wonderful words in my head I ve been thinkin
Ya know I wanna say em all just right
F#
I lift your veil and angels start singing
              F# E
Such a hea-ven-ly sight, Yeah

My feeling s so abso-lute, There s no doubt

Sealing our love with a kiss, Waited my whole life for this
                                               F#
                            В
Watching all my dreams come true, Lost in this moment with you

Please bless this brand new life, yeah
