[Verse 1: Big Sean]

**C#**  
Yeah, I got a brand new Benz  
Crazy right, brand new Benz  
**Ebm**  
Got less miles on it than I do friends  
Remember when we laid at you and [?] crib  
**F#**  
Was there so long I coulda paid rent  
**C#**  
Remember when we couldn't get shit?  
Best thing bout being broke is you don't spend shit  
**Ebm**

**F#**  
We couldn't afford nothin' but we still get shit ironically  
**C#**  
Those were the times I felt the richest  
**Bbm C#**  
All those times that we spent by the pool girl  
**Ebm**  
Was too broke to even take you to the zoo girl  
**Bbm C#**  
Maybe it's because I had you girl  
Was thinking about when we went to London and Paris  
And gave each other times that we cherished  
**Ebm C#**  
Remember when you saw the Eiffel Tower  
**F# C#**  
And you got so drunk threw up? Yup you were so embarrassed

REPEAT

[Verse 2: Big Sean]

My bad for those long long nights, long nights when I left you in the sheets

Sorry for when you had to cry yourself to sleep

Tried to count on me and I made you count sheep

Sorry when you put your faith in me I was unfaithful, disgraceful

Distasteful yeah I know you're not supposed to have cake and eat too

Crazy how these hoes always kept my plate full

What about the emails you hacked in?

I know we hate to live in the past-tense

It's been weird since I went out west and did an album with No I.D

And ain't came back since

Now we the best in the city, I rep for the city

That's about the time that you left for the city

You and all your girls moved to NY,

I shoulda known now how you watch sex and the city

I know we ain't close but, I gotta focus on blowing up

I know I promised that I'd be there, and really did I ever show up?

I know I wasn't honest to ya girl

Almost broke every promise to ya girl

Brought problems to your world

And you said "how could you just lie to me? I thought you'd die for me?"

I was scared you'd find somebody you was supposed to

You the type niggas get close to, and then propose to

And when thanksgivings come around,

I ain't tryna bring hoes through to momma

So it's back to the drama,

"No I don't know that number"

"Why the hell you text it?"

Heartbreak hotel man, with no exit just checked in

Young and living reckless

**C#**

**Bbm**

And I, I wouldn't trade it for the world, world, world

**C#**

**B**

**F#**

**Bbm**

**Ebm**

And I, Just so fucking lucky you're my girl, girl, girl

**C#**

**B**

**Bbm**

**F#-C#**

And I, I wouldn't trade it for anything. No, no, no not anything, and you...

[Outro: Miguel & Big Sean]

Can't nobody do it like you do it, like you do it, like you do it, like you  
**B** **Ebm** **Bbm**  
I can't imagine myself without you  
**F#** **C#**  
I need a whole lot of help without you  
**B.** **F#**  
Me and my granny both agree  
**C#**

**C#** **B** **Bbm**
