

All I See Is You
Big Star

All I See Is You

A

You were my friend and in the end

A7

D

The sea of time it s better than today

Dm

A

And still it seems I ve lost my dreams

E

The whole world knows it won t work out that way

I look at you, I see you through

A different light that s shining down on you

It won t be long before I m gone

Someone, somewhere, says it s time to go

I want you, please come home
