

**For You**  
**Big Star**

For You

**D G D**  
Sometimes I can't help but worship you  
**G D**  
I love you and all the things that you do  
**G D**  
I thought I'd sit and write this song just for you  
**G D**  
To let you know that I am thinking of you

Chorus:

**Em**  
When I come home so cold at night  
**Am7**  
You'll have the fireplace burning bright  
**Em**  
Thoughts of how it's going to be  
**Am7 D Am7 D Am7**  
And how I'll spend those cold, cold nights warm by you  
  
And in these autumn days I wander through the leaves  
Thinking of those winter nights I'll spend with you

Chorus
