Holocaust-- Big Star (Third/Sister Lovers)

Let s see if I can remember all the words...

G#m Ebm C#m B (walk to
G#m)
Your eyes are almost dead, can t get out of bed and you can t sleep
G#m Ebm C#m B
You re sitting down to dress and you re a mess, you look in the mirror
B F# B F#
You look in your eyes, say you realize

Everybody knows, leaving those who fall behind
Everybody goes as far as they can, they don t just care
They stood on the stairs laughing at your airs

Your mother s dead, she said don t be afraid
Your mother s dead, you re on your own, she s in her bed
(Leave out C-G part. Spooky feedback thang that I don t know happens.)

Everybody knows, leaving those who fall behind
Everybody goes as far as they can, they don t just care
You re a wasted face, you re a sad eyed lie, you re a holocaust
(Again, leave out C-G part. These three lines all are Am-Em-Dm...)
