

**Life Is White**  
**Big Star**

Life Is White

**D A**

Don t like to see your face

**F#m G**

Don t like to hear you talk at all

**A D**

I could be with Ann but I d just get bored

**D/F# A**

Can t even bring myself to call

**Bm A G**

And I don t want to see you now

**Em A**

Cause I know what you lack and I can t go back to that.

Whatever s all the same

Now there s nobody to know

And I can t recall, recall your name

All I can say is so.

And I don t want to see you now

Cause I know what you lack and I can t go back to that.

**G F#m A**

Your life is white

**D A**

And I don t think I like you hanging around.
