### Big Talk

Getaways by Big Talk

Intro: **E-C#m-F#-G#m** (x2)

**C#m** **F#** **Bb**

So I think it all started

**A** **Em** **Bm**

With a twitching then an odd man come all alone

**C#m** **F#** **Bb**

What you wanted to believe in

**A** **Em** **Bm**

We'd grow apart in such an armoured way everyday

**A** **F#** **C#m**

Cause what you want is what you get

**A** **B**  
And what you get ain't happened yet

**E** **A**

Hey you say you want out

**C#m**  
You say you want everything

**E**  
Take it while you can and now you run away

**A**  
You say you want out

**C#m**  
You say you're taking everything

**E**  
Take it while you can then go there

**C#m** **F#** **Bb**

I watch you stumble with your petulance

**A** **Em** **Bm**

It's almost funny when it comes your way through the day

**C#m** **F#** **Bb**

Let's see your plan your cute little getaways

**A** **Em** **Bm**

Watch you spin up on your cuban heels how's it feel?

**A** **F#** **C#m**

Cause what you want is what you get

**A** **B**  
And what you get ain't happened yet

**E** **A**

Hey you say you want out

**C#m**

You say you want everything

**E**

Take it while you can and now you run away

**A**

You say you want out

**C#m**

You say you want everything

**E**

Baby, won't you help me please understand

**A**

You say you want out

**C#m**

You say you want everything

**E**

Baby, why don't you take it from my cold dead hands?

**A**

You say you want out

**C#m**

You say you want everything

**E**

Baby, why don't you take it from my cold dead hands?
