Big Time Rush - Music Sounds Better With You

Capo 2

Better with you
Better with you, yeah

D. **A.**
I tried to write this down, the words just don't come out
Bm. **G.**
It's hard to say how you feel
D. **A.**
Been down the longest road, said yes when I meant no
Bm. **G.**
I lost control of the wheel

D. **A.** **Bm.**
Cause you know that things get so bad, you've got my back
G. **D.**
Make me wanna sing, and girl I'm singin' bout you
A. **Bm.**
No sweeter sound, than what I've found
G.
No perfect love could be more perfect than us

D. **A.** **Bm.**
Oohh baby, it feels like, it feels like
G. **D.**
the music sounds better with you
A. **Bm.**
Baby, it feels right, it feels right
G. **D.**
Everything's better with you

A.
I used to think that love, was something fools made up
Bm. **G.**
Cause all I knew was heartbreak
D. **A.**
Ooh, I couldn't help myself, let this heart go through hell
Bm. **G.**
There's only so much a heart can take
