Em

Guys like me,

G

Like girls like you

D

And girls like you

Am

Like guys like me (You know)

Em

I blaze the night

In harbor lights

G

You dressin light

It s fittin right

I hear the waves

D

I see you wave

I m stayin put

Am

You say no way

Em

The track begins,

You pull me in

G

I touch your skin

You re tremblin

D

It s in your eyes

You re here to win

Am

So let the game, game begin

Em

I I I I **G**

Wanna see you, you, you, you

Telling me

D

That, that

That you got what I need,

Am

Do pretty girl, don t speak

Em

Baby show me

G

By the way you hold me,

D

Way that you control me

Am

Speed me up or slow me

Em

Oh when I m lonely

G

Full o stormy weather

D

Can you make it better?

Am

I heard what you told me

So-o oh show me

Em

Know what you want my number for!

G

Ain t talked enough

Let s talk some more

D

You kinda cute

Don t hit the mute,

Am

Just aim and shoot

Or get the boot

Em

I I I I **G**

Wanna see you, you, you, you

Telling me

D

That, that

That you got what I need,

Am

Do pretty girl, don t speak (Don t speak)
