

Song For You
Big Time Rush

Intro 2x: C Dm Am

C Dm
Waking up from another day
Am

I m feeling so insane
C Dm
Cause ever since I saw your face
Am

I got it tattooed on my brain

C Dm
Did you know that you came and you got me like this
Am

Cause I know you re the one I wanna be with

C Dm
You gotta know that I d do anything
Am

To get you to notice me

C Dm
What do I gotta do to get into my life?
Am

I can be your bad boy, or baby I could be nice

C Dm
I could give you all the stars if you give me the night
Am

Or morning

C Dm
There s a million pretty girls all over
Am

But they got nothing to you

C Dm Am
Been all around the world, but no one gets me like the way you do

C Dm
Baby I thought that you should know

C Dm
None of the rest are even close

C Dm
There s a million pretty girls all over
Am Am

But you know this song s for you

Am
This song s for you
