(primeira parte)

```
C          G          B          Em D
The winter is gone and the spring has come
          C
We ve withered away
          G          B          Em D
And our hearts are torn from the yesterdays
          C          G
I m singing my blues
          B
I m used to the tears
          Em D
The doubt and the fears (that hold me,oh)
          C          G
I m singing my blues
          B
I hope you can see
          Em D
I m losing my grip on you oh, oh
```

(segunda parte)

```
C          G
We re looking up into the same old sky
          B
Except that you and I
          Em D
Are further from the place we used to love
C          G
I m leaving you with just a word
          B
Yeah, it s selfish girl but
          Em D
I had never been that good with words
C          G
Oh this could be the end of our dream
```

B
No one can help me
 Em D
Maybe this is our final scene
C G
Watch the curtain closing drop down low
 B Em D
Too bad now I`ve got nothing to show

(terceira parte)

 C G
The moment I met you this I know
 B Em D
I`d always let my loving show
 C G
But I have lost my way into the blue
 B Em D C
And when I close eyes I pray we`ll see it through

(primeira parte - outra vez)

 G B Em D
The winter is gone and the spring has come
 C
We ve withered away
 G B Em D
And our hearts are torn from the yesterdays
 C G
I m singing my blues
 B
I m used to the tears
 Em D
The doubt and the fears (that hold me,oh)
 C G
I m singing my blues
 B
I hope you can see
 Em D
I m losing my grip on you oh, oh

(quarta parte)

C G
I wish that I could feel my cold heart
 B
But we`re so far apart just like the ocean
 Em D C
That s between our love
 G
Your type of love is like a trauma
 B
When all is said and done, I`ll dry my tears
 Em D

And think of what we were
 C G
 My apathy is all I've got for now
 B
 Nothing gonna hold me down
 Em D
 I can't take your complicated run around
 C G
 And I don't care if you ain't there for me now
 B
 Cos I got a new sound
 Em D
 People come and go like downtown

(terceira parte novamente)

C G
 The moment I met you this I know
 B Em D
 I'd always let my loving show
 C G
 But I have lost my way into the blue
 B Em D C
 And when I close eyes I pray we'll see it through

G B Em D
 The winter is gone and the spring has come
 C
 We've withered away
 G B Em D
 And our hearts are torn from the yesterdays

(é legal tocar essa parte uma vez pra baixo cada acorde)

C G
 When the night has come and
 B
 We're underneath the stars
 Em D
 Thinking what went wrong
 C
 Falling asleep alone but
 G B
 You'll always know that even in my dreams
 Em D
 I sing this song
 C G
 I'm singing my blues

B

I m used to the tears

Em D

The doubt and the fears (that hold me,oh)

C G

I m singing my blues

B

I hope you can see

Em D

I m losing my grip on you oh, oh
