Am G
one man can make a lot of waves
F E
another man will get a lot of surf
D F Am
on the other side of the planet
Am G
a little boy with earphones on
F E
and a big smile on his face
D F Am
He`s on the wrong side of the planet

F
starts shaking with the music
G
can he really dig it
F
will little stompin feet ever regret it
G
i don t know
F
sometimes you win
G
sometimes you lose
F
and if you pick what others choose
G
you re gonna sing the blues

Am G
but you re gonna find
F
a better place and a meaning
Am G
some other time
F
well i m sure you ll find the feeling
Am G
let go of your mind
F
but sometimes you need to lose control
Am G
you gotta go down and
F

take a fall

Am G F E D F Am Am

now there s a man who s blind as a bat
he doesn t care, he knows where it s at
on the other side of the planet
he s singing with sunglasses on
and a big smile on his face
not on the wrong side of the planet

he starts shaking with the music
and you can really dig it
nobody s going to regret it
oh i know
sometimes you win
somtines you lose
and if you pick what
others choose
you ll sing the blues

but you re gonna find
a better place and a meaning
some other time
well I`m shure you`ll find the feeling
let go of your mind
but sometimes you need to lose control
you gotta go down
and take a fall
