

Outta Me
Bikini Kill

This is extremely easy, just listen to how the bass goes in the beinning for the right rhythm.

```
G | -----|  
D | -----|  
A | -----3-33-----|  
E | --3-33--2-22--0-00-----|
```

that s it, its just over and over again, it speeds up a little bit when Kathleen repeats over and over again but aside from that it stays exactly how it does in the intro
