Rah Rah Replica Bikini Kill Please note that I am transcrbing this from my five stringed guitar (it s supposed to have six but I have no high E), so I m leaving out the high E (you don t need it for this song anyway). INTRO/VERSE B|-10~--12-10-12-11~-| G | -10~--12-10-12-11~-| D -10~--12-10-12-11~-A | ----- | E |----- Repeat as needed. This riff goes for about 3/4 of the song (up until the whole band shouts, ONE! TWO!). It is so easy, particularly if you don t play with a high E. Just barre the chords. CHORUS (Now I live on a new street, baby ...)
