G C Am7 D  
He taught me the bottle gives birth to the cup  
G C  
And you won t get hurt if you just  
Am7 D  
Keep your hands up  
D  
And stand tall  
G C Am7 D  
Like sycamores

Sycamore got to grow down to grow up  
Young roots hold the soil like baby s first cup  
And when they bend you in two  
And say too green for the fire  
When all you want to do is be a part of the fire  
All you want to do is be the fire part of fire  
Like sycamores

There s sap in the trees if you tap em  
There s blood on the seas if you map em  
Christian when I see your poppa  
I ll tell him you love him  
And remember to love in the wild and  
Fight in the gym  
Remember the bottle gives birth to the cup  
And you won t get hurt if you just

Keep your hands up  
And stand tall  
Like sycamores
