

**Gentle Willie**  
**Bill Fay**

**G** **Bm**  
Willie was a sailor  
**C** **D**  
He sailed on the sea  
**G** **Bm**  
And Willie said a sailor s life  
**C** **D**  
Is the life for me

**Em** **Am**  
But they sent him into battle  
**Em** **Am**  
For to lay down his life  
**D** **Bm**  
And Willie said a sailor s life  
**C** **D**  
Is not for me

So Willie joined the air force  
He learnt how to fly  
And Willie said how happy  
He was flying in the sky

But they sent him into battle  
For to lay down his life  
And Willie said the air force is no life for me

Now Willie got to thinking  
People were plotting for his life  
So he bought himself a watchtower  
And locked himself inside

But the tower looked o er a battlefield  
Where men laid down their lives  
And Willie had to laugh but then he cried

Enjoy :)
