Life on Other Planets
Words and Music: Bill Mallonee
Transcribed by Alec Liddle

Chords:

G: 320033
C: 332010
Asus4: x0223x
Em: 022000

Guitar tuned down down a whole step:
DGCFAD (Low to high)

Verse 1:

G C
I ve got you,

G C
And some scars for all my labours

G C
You ve got me

G C
God I know I need a saviour

G C
I feel bad

G C
All these days that we spend runnnin

G C
We re all grown up,

Asus4 Em
But I hardly saw it comin

Chorus:

Asus4 C Asus4
Our be - leif turns to gold

Em Asus4

Watch love begin to unfold

C Asus4

It s like a story you were once told,

Em Asus4

When you beleived in God and new romantics,

C G C G C

And life out there on other planets

Verse 2:

Angels wings
All these giants being slain
The smallest stone,
It can get lodged in your brain
I see you,
And my heart fills with emotion
Push your swing,
But it s silent in it s own motion

Chorus

Bridge:

Em C G
I m always fallin in love

Em C G
It s the least you can do

Em C G
I m always fallin in love,

Asus4 C Asus4 Em Asus4 G C
With something other than you

Verse 3:

So pull me up,
God I don t know why I m lame
I m drownin in,
A sadness I can t hardly name
Easily swayed,
By power of suggestion
Always hard,
Getting back those first impressions

Chorus

Verse 4:

G C

I got you

G C

I got you babe

G C G C

I got you...

G C

I got you

G C Em C G

I got you
