BILL MORRISSEY - LONG AS THE SUN

Capo 2

C-G-Am-G

[C] Home from the road
To a [G] house on the lake
[Am] Thinking you would be home
That was [G] my mistake

[C] Away from the stage
[G] Away from the crowd
[Am] How could an empty house
Sound so [G] awful loud

[C] As long as the sun
Gonna [G] rise in the east
[Am] Troubles gonna come
When you [G] expect it least

[C] As long as the sun
Dries the [G] morning dew
Iâ€™ll be [Am] waiting here
Iâ€™ll be [G] missing you

[C] Get up at dawn
And I [G] launch my boat
I drift [Am] around the lake
And I [G] read your note

It says [C] you could not stay
It [G] says it very plain
And I [Am] looked and I looked
But [G] there was no tea stains

[C] As long as the sun
Gonna [G] rise in the east
[Am] Troubles gonna come
When you [G] expect it least

[C] As long as the sun
Dries the [G] morning dew
Iâ€™ll be [Am] waiting here
Iâ€™ll be [G] missing you

Instrumental

I [C] drift all day
Till I cant [G] drift no more
So I [Am] put that boat
Up [G] on the shore

I [C] walk inside
Donâ€™t know [G] what to do
Now I[Am] think I know
Something [G] you know too

[C] As long as the sun
Gonna [G] rise in the east
[Am] Troubles gonna come
When you [G] expect it least

[C] As long as the sun
Dries the [G] morning dew
Iâ€™ll be [Am] waiting here
Iâ€™ll be [G] missing you
