Night Shift

Bill Morrissey

Capo III

Well the [G] bar was packed for a Tuesday Night  
The [Bm] Bruins were on TV  
[Em] Everybody in the place was tight  
[Am] Make no exception for [Em] me

Iâ€™ve [G] been drinking to my travelin days  
I shouldâ€™ve [Bm] been at work long ago  
But [Em] tonight, I aint cominâ€™  
[Am] Tonight I just Canâ€™t [Em] go

I should be makin [Bm] shoes on the [D] night shift  
But I canâ€™t [C] drive in through the [Am] snow drift  
Thatâ€™s what I [Bm] told them at the fact [Em] ory  
I wonder [C] how the boys on the [D] night shift  
Ever got along without [G] me

Well the [G] guys I work with are lifers here  
They talk [Bm] shotguns and tv  
They can [Em] call me names in French or English  
And [Am] do it frequent [Em] ly

And their [G] wives they donâ€™t smile much  
But their [Bm] hearts are made of gold  
Well they [Em] run their families  
But make it [Am] look like they do what they are [Em] told

I should be makin [Bm] shoes on the [D] night shift  
But I canâ€™t [C] drive in through the [Am] snow drift  
Thatâ€™s what I [Bm] told them at the fact [Em] ory  
I wonder [C] how the boys on the [D] night shift  
Ever got along without [G] me

So [G] bartender pour me another shot  
And [Bm] back it with a beer  
[Em] Tonight I am thanking heaven  
I can [Am] still get out of [Em] here

Cos for [G] awhile I thought I could settle down  
And I [Bm] called my own bluff  
Oh the [Em] road gets long as I get older  
But I [Am] still got the [Em] stuff

I should be makin [Bm] shoes on the [D] night shift

But I can't [C] drive in through the [Am] snow drift  
That's what I[Bm] told them at the fact[Em] ory  
I wonder [C] how the boys on the [D] night shift  
Ever got along

I wonder [C] how the boys on the [D] night shift  
Ever got along without [G] me
