[Verse 1]

Eb **Gm**
Those scars
Bb
All those senseless scars
Eb
My worst parts were when you re gone
Gm **Bb**
And the endless screaming dark
Eb
Comes in from the suburbs
Gm **Bb**
And makes everything worse
Eb
Oh, you know how the truth works
Gm **Bb**
And for whatever it's worth

[Chorus]

Eb **Bb**
Don t be scared, don t be scared
Cm **Bb**
I love you, I love you
Eb **Bb**
Don t be scared, don t be scared
Cm **Bb**
I love you, I love you

[Verse 2]

Eb
Does it work?
Bb **Bb**
Does it start the things that hurt?
Eb
How much and how often?

Gm **Bb**
Do those ocean bedroom floors
Eb
Even reach the walls anymore?
Gm **Bb**
Can it really be worth it?
Eb
All the stinging and wincing
Gm **Bb**
You said something perfect
Eb **Gm** **Bb**
With six words and one kiss

[Chorus]

Eb **Bb**
Don t be scared, don t be scared
Cm **Bb**
I love you, I love you
Eb **Bb**
Don t be scared, don t be scared
Cm **Bb**
I love you, I love you
