Dm

Our time is up

C

Your eyes are shut

Bb

I won't get to tell you what

C

I needed you to know

Dm

It's dark enough

C

The moonlight doesn't show

Bb

And all my love

C

Could never bring you home

Bb

There's no more stars to find

Dm

And I'm too far behind

C

And I'd love to let you go

A

I'd love to let you go

Bb

You're all that's on my mind

Dm

I called a thousand times

C

And I have to let you go

A

But I love you more

Bb

And more than you could know

Dm

I sat alone

C

Awaited your reply

Bb

Was driven home

C

When I started to cry

Dm

I should ve known

C

I should ve said goodbye

Bb

I only hoped

C

I would ve had more time

Bb

There s no more stars to find

Dm

And I m too far behind

C

And I d love to let you go

A

I d love to let you go

Bb

You re all that s on my mind

Dm

When I called a thousand times

C

And I have to let you go

A

But I love you more

Bb Dm C A

And more than you could know

Bb

We re both too young

Dm

To live and die this way

C

A sunny summer day

A

With so much left to say

Bb

Not 21

Dm

The 18th out of pain

C

The day you couldn t stay

A

You made me wanna pray

Bb

But I think God s fake

Bb

There s no more stars to find

Dm

And I m too far behind

C

And I d love to let you go

A

I d love to let you go

Bb

You re all that s on my mind

Dm

When I called a thousand times

C

And I have to let you go

A

But I love you more and more

Bb

And more and more and more

Dm

More and more, more and more

C

And more than you will ever know

A

You will never know

Dm

You will never know
