 Wait a minute, let me finish
I know you don t care
But, can you listen?
                 D7M
I came committed, guess I overdid it
Wore my heart out on a chain
Around my neck but now it s missing, hmm

                D7M
Da-da-da-da-da
Da-da-da-da-da-da
Oh, hmm
So I think I better go
D7M
 I never really know how to please you
You re looking at me like I m see through
I guess I m gonna go
I just never know how you feel
```

Oh, hmm

Do you even feel anything?

```
You said don t treat me badly
But you said it so sadly
So I did the best I could
Not thinking you would have left me gladly
I know you re not sorry
Why should you be
Cause who am I to be in love
When your love never is for me
Me
