

Bury a friend
Billie Eilish

Gm

What do you want from me?

Cm

Why don't you run from me?

D

What are you wondering?

Gm

What do you know?

Gm

Why aren't you scared of me?

Cm

Why do you care for me?

D

When we all fall asleep,

Where do we go?

(Come here)

(**Gm**)

Say it, spit it out, what is it exactly?

(**Gm**)

You're payin' ? Is the amount cleaning you out, am I satisfactory?

(**Gm**)

Today I'm thinking about the things that are deadly

(**Gm**)

The way I'm drinking you down

Like I wanna drown, like I wanna end me

Gm

Cm

Step on the glass, staple your tongue (ah-ah)

D

Gm

Bury a friend, try to wake up (ah-ah)

Gm

Cm

Cannibal class, killing the sun (ah-ah)

D

Bury a friend I wanna end me

Gm

When we all fall asleep,

Where do we go?

(Listen)

(**Gm**)

Keep you in the dark, what, had you expected

(**Gm**)

Me to make you my art and make you a star

And get you connected?

(**Gm**)

I'll meet you in the park, I'll be calm and collected

(**Gm**)

But we knew right from the start that you'd fall apart

Cause I'm too expensive

(**Gm**)

It's probably something that shouldn't be said out loud

(**Gm**)

Honestly, I thought that I would be dead by now (wow)

(**Gm**)

Calling security, keepin' my head held down

(**Gm**)

Bury the hatchet or bury your friend right now

Bridge

Gm

Cm

The debt I owe, gotta sell my soul

D

Cause I can't say no, no, I can't say no

And my limbs are froze and my eyes won't close

And I can't say no, I can't say no
