

Bury a friend
Billie Eilish

G#m

What do you want from me?

C#m

Why don't you run from me?

Eb

What are you wondering?

G#m

What do you know?

G#m

Why aren't you scared of me?

C#m

Why do you care for me?

Eb

When we all fall asleep,

Where do we go?

(Come here)

(G#m)

Say it, spit it out, what is it exactly?

(G#m)

You're payin'? Is the amount cleaning you out, am I satisfactory?

(G#m)

Today I'm thinking about the things that are deadly

(G#m)

The way I'm drinking you down

Like I wanna drown, like I wanna end me

G#m

C#m

Step on the glass, staple your tongue (ah-ah)

Eb

G#m

Bury a friend, try to wake up (ah-ah)

G#m

C#m

Cannibal class, killing the sun (ah-ah)

Eb

Bury a friend I wanna end me

G#m

G#m

I wanna end me

G#m

I wanna, I wanna, I wanna end me

G#m

I wanna, I wanna, I wanna

G#m

What do you want from me?

C#m

Why don't you run from me?

Eb

What are you wondering?

G#m

What do you know?

G#m

Why aren't you scared of me?

C#m

Why do you care for me?

Eb

When we all fall asleep,

Where do we go?

(Listen)

(G#m)

Keep you in the dark, what, had you expected

(G#m)

Me to make you my art and make you a star

And get you connected?

(G#m)

I'll meet you in the park, I'll be calm and collected

(G#m)

But we knew right from the start that you'd fall apart

Cause I'm too expensive

(G#m)

It's probably something that shouldn't be said out loud

(G#m)

Honestly, I thought that I would be dead by now (wow)

(G#m)

Calling security, keepin' my head held down

(G#m)

Bury the hatchet or bury your friend right now

Bridge

G#m

C#m

The debt I owe, gotta sell my soul

Eb

G#m

Cause I can't say no, no, I can't say no

G#m

C#m

And my limbs are froze and my eyes won't close

Eb

G#m

And I can't say no, I can't say no

G#m

C#m

Step on the glass, staple your tongue (ah-ah)
